Dear Ms Mludzinska

## **The recent racist graffiti attack on POSK**

Chiswick Decorative and Fine Arts Society (ChDFAS) was horrified to hear about the racist graffiti attack on your building at the weekend and we wanted to express our support at this troubling time. I have been asked to write to you by our committee and by the National Association of Decorative and Fine Arts Societies (NADFAS) our parent organisation. We totally condemn such actions on a well-loved and highly respected West London Cultural Centre.

We are regular users of the Malinowa Room, as well as your excellent restaurant and café. The service we have received, the people we have met and facilities you provide us with are all highly valued and we totally deplore this attack. Please be assured that this action does not reflect the local attitude to our long-established West London Polish community and culture.

With our kind regards

Yours sincerely

*Alison*
